

Walter Johnson High School Education Foundation, Inc.

Dear Walter Johnson Parents, Students, and Alumni,

One of the final touches to the beautiful renovation at Walter Johnson High School will be a custom brick walkway across the area between the building and tennis courts. All of you are invited to be a part of this project and of WJ's legacy by contributing a permanently engraved brick for the new walkway.

Your bricks can be engraved with the name of a student, family, teacher, coach, club, or team and will remain a permanent part of WJ.

Funds raised from the sale of engraved bricks will go to the WJHS Education Foundation to be used to support enhancements to the modernization project. For more information about the WJ Education Foundation, please visit its website at [wjedfoundation.org](http://wjedfoundation.org).

**Brick detail & pricing:**

Your contribution of \$100 purchases the installation of a 4"x 8"x 2¼" brick with your custom text including clip art. Purchasing a brick also entitles you to purchase one or more mini replica bricks to use as a showpiece, paperweight, or gift. A mini replica brick costs \$20.00 and measures 1½" x 3".

**Engraving information:**

Each brick and mini brick can have up to 3 lines of text with up to 20 characters/line including spacing and punctuation. Stock clipart, for example sports symbols, are also available and included in the price.

**Timetable:**

The installation of the walkway will take place in the final stage of the WJ renovation, estimated to be completed around August 2010. Although that is many months away, we don't want the Class of 2008 and their families to miss out, and purchasing a brick is a great way to commemorate the 2008 Graduation.

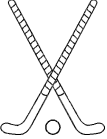

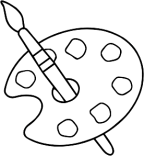

**How to order:**

Please use the enclosed order form to indicate the quantity, size, and engraving information for your personalized bricks. You may download additional order forms or order online at [wjedfoundation.org](http://wjedfoundation.org).

**Questions?**

If you have questions about ordering bricks or the WJHS Education Foundation's brick project, please email Lee Moersen at [wj.bricks@gmail.com](mailto:wj.bricks@gmail.com).
